

New Web Parts

SHAREPOINT ONLINE

SharePoint has received a significant style update with enhanced user-friendliness. Explore some of the new web parts in SharePoint Online and see what's in store for you!

01

HERO

A visual gadget that enhances your page with style! It showcases up to five treasures like images, text, and links, grabbing attention effectively.

02

COUNTDOWN TIMER

Let you display a countdown or count-up to an event! You can choose the date format, add a title, a brief description, and a call-to-action button.

03

VIDEO STREAM

Sprinkle your page with YouTube magic by embedding one or more videos!

04

WEATHER

Show the current weather and forecast for any zip code you choose. You can include several on one page!

05

INTERACTIVE MAPS

Dive into a location, zooming in with zip codes or addresses like a pro! Feel free to sprinkle this magic across a page as many times as your heart desires.
